The Zoning Administrator acknowledges that the use and/or building construction is in reasonable conformity with the zoning permit granted based upon evidence submitted by the applicant and a visual site inspection. No as-built survey information has been provided unless noted otherwise. The Town of Stowe does not certify or imply any conformity to a uniform standard of construction or life safety code.

This approval does not cover any required State approvals. Other approvals and/or final inspections may be required before use of the structure. The applicant is responsible for determining property lines and meeting the required setbacks for development. This review does not certify setbacks or building heights.
