General Conditions:

- 1) For use of Town Highways and Bridges beyond the limits of this Annual Excess Weight Permit, a **Special Excess Weight Permit is required** (available on Town Website or from Public Works Dept.).
- 2) This approval shall be effective for no more than a one year period, ending March 31, 20____. This approval covers vehicles bearing the company name.
- 3) If permit is to cover unmarked company trucks, please attach a list to this form giving year and make of truck, VIN number, maximum weight, number of axels and registration number.
- 4) Single vehicle permits must be carried in the permitted truck. Fleet permits are not required to be carried in the trucks.
- 5) This Permit may be further restricted by seasonal postings of Town Roads. Town of Stowe reserves the right to change the enclosed permitted weights at any time.
- 6) Please contact the Road Superintendent before traveling on highways during soft road conditions, regardless of vehicle weight. Superintendent can be reached by phone at 802-253-6146, 802-793-6104 or by pager at 802-741-5838.
- 7) Permittee shall be liable for any damage to highways or bridges per VSA Title 23, Section 1400a (c).
- 8) Permittee is required to furnish the municipality a valid Certificate of Insurance, which names the **Town of Stowe as Additionally Insured**, in the minimum amount of \$1,000,000.00 Automotive Liability – Combined Single Limit coverage.
- 9) It is the Permittee’s responsibility to ensure the Town has a current COI on file for the duration of the effective time frame of this Permit.
- 10) This permit is issued under the provisions of VSA Title 23, Section 1400a, and any amendments thereto, covering the operations of motor vehicles over local highways and bridges with gross.
