The Chief of Police or his designee will work with event organizers to determine the appropriate level of police coverage and other related details. The Chief of Police may require specific signage or other related items, which the event organizer/contractor would need to supply, to aid in traffic direction and parking. The Chief of Police will have final approval on police staffing levels and finalized event plans relating to police and traffic matters.

The Chief of Police or his designee also reserves the right, at any time, to increase the police staffing levels should there be a need. The increase police officer staffing would be billed to the event.

Requests for traffic details for road construction and utility work may be requested through the Stowe Police Department. Advance notice is required for any prolonged work or work that may require road closures or detours.
