Agenda Item No. A-3

Cady Hill Request for Accessible Adaptive Cyclist Parking Space and Directional Signage

Summary: Enclosed is an email from Carolyn Lawrence, Stowe Trails Partnership Executive Director, requesting the Selectboard approve an accessible adaptive cyclist parking space at the Cady Hill parking lot and associated signage. STP is also requesting to install signage letting users know where alternative municipal parking is located. The signs are proposed to be 12" x 18".

Town Plan Impact: N/A

Fiscal Impact: The anticipated cost of signage is \$200.

Recommendation: Move to approve the accessible adaptive cyclist parking sign and alternative parking sign as requested.

Attachments: Accessible Parking Space.png

Hi Chris and Charles,

Thank you for your willingness to consider an accessible parking space at Cady Hill given the approval of the Selectboard. I have attached a map indicating where I think the spot could go (the white rectangle): as you pull into the parking lot, it would be the space directly to the left of the kiosk. I know we briefly talked about it being next to the port-o-let but in thinking back to my conversations with Vermont Adaptive and Kelly Brush Foundation, I think next to the kiosk would be easier for folks (flatter ground, more space, etc.).

For the additional parking sign, we came up with the following text:

For Additional Parking:

- *Events Field parking on Weeks Hill Road*
- *March of Dimes parking on Mayo Farm Road*
- *Stowe Recreation Path parking behind the church in the Stowe Village*

Include a QR code folks could scan for a map

We envision this standalone sign being the same size as the accessible parking spot sign and have it live closer to the entrance of the lot for folks to refer to.

Thanks again for your help. Let me know if you need more information.

Best,

Carolyn Lawrence

Executive Director
