Green Up Day Recognition- Nancy & Rich Haab

Summary: Nancy and Rich Haab, property owners of the Sunset Grille, have graciously hosted Green Up Day at the Sunset Grille for over twenty years. With Nancy and Rich's recent retirement, the Sunset Grille property is presently for sale. Given the potential sale of the property, the Conservation Commission sought a new host for this year's Green Up Day. This year Green Up Day will be held on Saturday May 7th at the Alchemist. The Commission would like to recognize and thank Nancy and Rich for their many years of support and commitment to hosting Green Up Day.

Chair Christine McGowan and other members of the Conservation Commission will be in attendance to present the appreciation plaque.
